## COLOR BOARDS:

The LEAN color boards are designed to standardize our labeling system throughout the company. The boards can be found in the **warehouse loading dock, shop-saw cutting area, shop; west side, warehouse door 7 and the ASDCO warehouse.**

## IDEA GRAFFITI BOARD:

A place for all employees to post suggestions for continuous improvement in the workplace. Boards will be conveniently located in the **warehouse near door 7, in the ASDCO office hallway, and in the break room.**

## RED TAG STATION:

Red Tag Stations have been created to identify unnecessary, unneeded or misplaced items and to determine what to do with the materials. Red Tag Stations are located in the **ASDCO warehouse, shop saw cutting area, shop loading dock and the Jamar yard.**

*At each of these stations you will find more detailed information. If you have any questions at all, please feel free to ask anyone on the steering committee.*
